ABOUT GUILD HALL

Guild Hall is the cultural heart of the East End: a museum, performing arts, and education center, founded in 1931. We invite everyone to experience the endless possibilities of the arts: to open minds to what art can be; inspire creativity and conversation; and have fun.

Guild Hall has served four generations and introduced audiences to the most storied artists and performers of our time. Now as we approach our centennial, we have embarked on a state-of-the-art renovation to match the caliber of our artistry for twenty-first-century audiences. The facility-wide Capital Improvements Project & Campaign includes top-of-the-line physical and technological enhancements to better deliver on our mission as an artist-driven, interdisciplinary institution.

GUILD HALL: OFFSITE was launched in late spring 2022, temporarily moving programming to select East End locations, featuring dynamic and unmissable exhibitions and events with artists both local and from around the world.
